It's all about particles: eIBullifoundation

*"Our Architecture becomes part of a discourse that makes no distinction between objects and products, buildings and landscape, sea and mountain, but which understands reality as performing particles."*

## Architect

Enric Ruiz-Geli

## Team

Mireia Luzárraga, Edouard Cabay, Pablo Ros (head office); Víctor Llanos, Joan Escanelles, Albert Cuesta, Víctor Molina, Mila Moskalenko, Marga Ruiz, Aurelio Dorronsoro, Alejandro Muiño, Konrad Hofmann, Nora Graw, SamerYamani (project architects); Carla Bach, Victor Comeche, Marcos Zaragoza, Marta Arranz, Alberto Delgado (collaborating architects); Mireia Pallarés, Juan Ávila, ElenaHerbas, Pep Bou (archives)

## Design and Build Labs

Luis Borunda (KTH School of Architecture), Cristina Mas (La Salle), Yana Petrova (MIIGAIK), Georg Ladurner (Faculty of Architecture and Urban Planning), Fernando Sánchez (IE School of Architecture and Design), Daniel Christiansen (Architectural Association School of Architecture), Selim Halulu (Architectural Association School of Architecture), Nicolás Fueyo (ITESM), Diana León (IaaC), María Ponz /ETSAV)

## External collaborators
