

# Menis Arquitectos

## Into the Wall

*"The proposal allows the visitor to enter a new concrete wall formwork. Outside, the wooden form reveals the process of Torun Auditorium and Opera House in Poland, and warns that something is forged on the other side of the splint, which is the experience of a whole life of work..."*

### **Architect**

Fernando Menis

### **Team**

Victor Lledó, Moritz Krefter,  
Dulce Xerach

### **Support Team**

Javier López, Fabian Scholz,  
Cristina Hernán, Domingo Pérez  
Carrillo y José, UEM (Universidad  
Europea de Madrid)

### **Office Team**

Gisela Neves,  
Bernando Ramirez,  
Manolo Devesa,  
Javier Espílez, Juan Bercedo,  
Juan Enrique Saiz,  
María Ibañez, Beatriz Inglés,  
Pedro Cerdá, Martínez Segovia,  
Jaume Cassanyier,  
Jacek Lenart, Karolina Misiak,  
Zuzana Tomecková,  
Emilia Brulinska

### **Materials**

Pinewood,  
Foamglas,  
Schoeck  
and concrete

### **With the support of**

Foamglas (main sponsor)  
Schoeck,  
König Stahl (Jansen),  
Lafarge
